

BUSINESS DEVELOPMENT STRATEGY

**MANY OF TEAM HAVE DEVELOPED AND RUN
SUCCESSFUL BUSINESSES.**

021 770 821

paul@teamprojects.nz

We share our business successes (and failures!) through a number of half day, full day, and two-day workshops that are designed to help you understand your business, develop focussed business plans, and develop high return business development strategies.

Topics include:

- Brand, Marketing and Business Development
- Developing Pipelines
- Understanding your market
- Making the most of your network
- Business Development – the Cost / Benefit Analysis
